Subject: Aldicarb: Conference call with AgLogic/Pyxis to Discuss PCTn methodology and address questions/calculations raise in email.

Hi BEAD team,

This is a heads up that we will need to use the time set aside for the aldicarb team meeting in two weeks (Nov. 10) for the conference call with the registrant (AgLogic/Pyxis). As discussed at the team meeting, this call should be used for BEAD to describe the methodology used to develop the most recent PCTn and to address the questions/calculations raised in the email by the registrant.

I will send out a new invite to the BEAD team, shortly, so that the call-in information for this call can be provided to the registrant. I have used the team members from the weekly aldicarb team meeting calendar for the meeting participants, so please let me know if I have missed anyone. We can talk about this more tomorrow, as well.

In the meantime, please let me know if you have any questions. And keep an eye out for the meeting invitation.

Thank you!
Debra
